MEMORANDUM FOR: Director of Training
THROUGH : Associate Deputy Director for
Management and Services
Senior Training Officer, DD/M&S
SUBJECT : Withdrawal of Office of Security
Nominee from the Cornell University
Executive Development Program,
17 June - 26 July 1974

STATINTL

1. [REDACTED] Chief, Technical Security Division, Office of Security, was nominated on 31 January 1974 by the Training Selection Board as the Agency representative to attend the Cornell University Executive Development Program scheduled from 17 June through 26 July 1974.

2. Recently, the Office of Security Career Service Board transferred the Deputy Chief, Technical Security Division to another assignment. When his replacement will be named is indefinite.

STATINTL

3. Because the Technical Security Division is a key component in the Office of Security, [REDACTED] absence to attend the Executive Development Program would seriously impair the Division's operations during this time, especially without an experienced deputy on hand. We have reluctantly decided to withdraw [REDACTED] from the Program, and we sincerely regret the inconvenience this action will cause you.
